

North Hampton Dearborn Park Covid 19 Policies

Updated May 26th, 2020

Open to North Hampton Residents only

THE FOLLOWING AREAS ARE CLOSED AND SHALL NOT BE USED

- The playground (physical structures, including swings)
- Picnic tables
- Dugouts
- Any other physical objects, structures or equipment
- No Port-O-Potties available

BALL FIELD AND GREENS USE

- If you're not feeling well, stay home.
- Wearing of facemasks is strongly encouraged.
- If you belong to a group considered more vulnerable to the virus, consider additional precautions.
- Patrons must practice social distancing and stay 6 feet apart from others.
- No activities or gatherings of more than 10 people.
- Avoid touching surfaces/equipment, as they are not being disinfected.

TENNIS/PICKLEBALL/BASKETBALL COURTS USE

- All pickleball and tennis courts are restricted to SINGLES play only.
- Basketball court is for individual play only, no group games
- Please be vigilant in preventing the spread of the virus by practicing good hygiene as recommended by the CDC guidelines
- Please stay home if you are experiencing any symptoms as listed by the CDC Guidelines
- Please do not enter the courts if you have any symptoms or exposure risks as listed by the CDC guidelines.
- All spectators and players waiting for a court must remain outside of the fence and are encouraged to stay in their vehicles, until a court becomes available. Social distancing procedures must be practiced at all times.
- Before, during and after play, players must maintain distance of 6 feet from other people
- Players should label their name on a personal ball(s) that only they will touch during play (i.e. each player enters the court with his/her own ball(s))
- Players are encouraged to bring and use hand sanitizer.
- Players are encouraged to place their personal items (backpacks, water bottles, etc.) at a safe distance (6 feet) from other player items to avoid any surface contact.
- The main entry gates shall be left open to prevent surface contact
- No handshakes, high fives, paddle bumps or physical contact.
- Wash hands/use hand sanitizer frequently and avoid touching face.
